GATE, CUET PG**

**A Premier Coaching Institute  
by IIT - Madras Alumni**

Welcome to **ZeoChem**,

We empower students to excel in competitive exams like IIT JAM, CSIR NET, GATE, and CUET PG with expert guidance, structured strategies, and dedicated to empowering Tamil Nadu students for admission to India's top institutions. Founded by IIT Madras alumni with strong academic and research backgrounds, we offer personalized mentorship, high-quality study materials, blend of live classes, recorded sessions, and regular test series. Our team, including a gold medalist and future PhD candidates, ensures students gain not just knowledge, but critical thinking skills and confidence for success. Join us at ZeoChem and unlock your potential for a bright future in science and beyond!

# Our Specialized Coaching Programs

## **IIT-JAM Chemistry (Joint Admission Test for Masters)**

The IIT-JAM Chemistry exam is the key to pursuing Master of Science (M.Sc.) programs at top IITs, IISc, IISERs and NITs. Earn a prestigious M.Sc. degree that opens doors to PhD programs and lucrative career options in both academia and industry.

## **CSIR-NET Chemistry (Council of Scientific & Industrial Research – National Eligibility Test)**

The CSIR-NET Chemistry exam is designed for aspiring researchers in Chemistry. It provides eligibility for the Junior Research Fellowship (JRF) and Lectureship (LS), essential for PhD admissions and faculty roles. The JRF qualification grants access to research scholarships, PhD programs, and scientific research careers.

## **GATE Chemistry (Graduate Aptitude Test in Engineering)**

The CSIR-NET Chemistry exam is designed for aspiring researchers in Chemistry. It provides eligibility for the Junior Research Fellowship (JRF) and Lectureship (LS), essential for PhD admissions and faculty roles. The JRF qualification grants access to research scholarships, PhD programs, and scientific research careers.

## **CUCET-PG Chemistry (Central Universities Common Entrance Test – Postgraduate)**

The CUCET-PG exam allows admission to M.Sc. programs at India's prestigious Central Universities. This is the exam for those looking to advance their Chemistry education at top institutions.

**“Top institutes aren't just for a few—they're for you”**

# Our Specialities

-  Tamil Nadu's first dedicated online coaching centre for IIT JAM, CSIR NET & GATE
-  Learn from IIT Madras alumni
-  Online and Flexible learning
-  One to One personal guidance
-  Recorded classes available for easy access at any time
-  The candidate can take two NET exams and one GATE exam within this subscription
-  100+ Mock tests
-  Weekly doubt clearance sessions

**Course Fee**  
**IIT-JAM 3999/-**  
**CSIR NET 5999/-**  
**(1 Year course)**

## Top Institutes Where You Can Secure Admission

- IITs, IISc, IISERs, JNCASR, NITs, and other premier universities.
- PSUs & R&D Organizations: Indian Oil, ONGC, BARC, and other prominent organizations hiring through GATE

# Our Team

**Hiba Sherin P K** qualified the IIT JAM Chemistry 2022 examination and went on to pursue a Master of Science in Chemistry at the Indian Institute of Technology (IIT) Madras, specializing in organic synthesis research. She graduated with the highest accolades, earning a Gold Medal in recognition of her exceptional academic performance.

**Suraj Sasikumar** qualified IIT JAM-Chemistry 2022 securing admission to the Integrated PhD at JNCASR and MSc programs at IISER Bhopal, IISER Pune, and IIT Madras. He pursued his M.Sc. at IIT Madras, specializing in electrocatalysis research, and is now set to begin his PhD at The Ohio State University, USA.

With over three years of teaching and research experience, he mentors students in academics, competitive exams, and career planning.

**Rajesh J** qualified the IIT JAM exam and completed his M.Sc. at IIT Madras. Currently working at CECRI Karaikudi, he is deeply involved in research on electrochemical energy storage technologies. As a passionate educator, he is dedicated to helping students excel in competitive exams and develop a strong foundation in their subjects.

**Sooraj K S** qualified the IIT JAM Chemistry 2022 exam and completed his M.Sc. in Chemistry from IIT Madras. His research interests are focused on Physical Organic Chemistry. As an aspiring teacher, he is dedicated to helping more students succeed in qualifying for competitive entrance exams like IIT JAM.
